WHY CHOOSE TWIN VIEW TURF?

We are **Brisbane's premier turf supplier** with the **best trade service model** in SEQ.

AN INDUSTRY LEADER WITH STRONG ROOTS

Twin View Turf is a family owned and operated business, with a rich 50 year farming history. From humble beginnings in 1965 cultivating tobacco and small crops, to current day as Brisbane's premier turf supplier - we're dedicated to agricultural excellence and pride ourselves on best environmental practices.

Located in Wamuran with over 500 acres of turf in production, we produce high quality turf for lawns, sportsfields, golf courses and public spaces to a diverse range of clientele.

Twin View Turf offer the most comprehensive service in South East Queensland, with a reputation for premium product, service, support and customer experience.

At Twin View Turf, we dedicate our time and resources to ensure our turf is produced to the highest standards of quality and exceeds your expectations.

In choosing Twin View Turf, not only will you enjoy our service as a trade customer, we'll add value to your own customer's experience. Our quality turf, reliable service and ability to deliver six days a week will give you the competitive edge.

CUT FRESH HOURS BEFORE DELIVERY

Same Day Harvest for **guaranteed freshness** and a **healthy new lawn**.

Twin View Turf champion Same Day Harvest. Your customers will benefit from the freshest turf in the state, delivered within hours of harvest.

Same Day Harvest

Twin View Turf offer same day harvest as a direct benefit to the customer, and for the future health of their new lawn.

The time between harvest and installation is crucial for the health of the plant. The sooner the lawn install, the better the chances of a healthier establishment period. Deal direct with the farm to ensure your customers new lawn arrives fresh and in its best possible state!

Nutrient Rich & Free from Pests and Weeds

To better improve the establishment and lifespan of your customers new lawn, our turf is supplied mature, nutrient rich and free of all weeds and pests.

After Care Advice

To ensure that your customers know how to properly care for their new lawn, we also include a Lawn Care Guide. This informative guide on lawn care best practices offers tips and general advice for the life of their lawn.

This equips your customers with the knowledge and confidence to care for the outdoor space you've crafted for them. Just another advantage of partnering with Twin View Turf!

DAY BEFORE

2PM

PLACE YOUR ORDER

Place your order by 2pm the day before delivery to receive our next day guarantee.

4PM

SMS CONFIRMATION

We'll send an SMS order confirmation and estimated delivery timeframe.

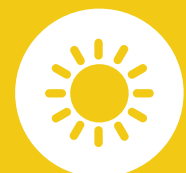

DAY OF DELIVERY

AM

FRESH HARVEST

We harvest in the early hours the morning of delivery, ensuring the freshest turf on arrival.

DELIVERY TO SITE

Turf is delivered on site first with a truck, then a forklift, ready for install in to it's new home.

GUARANTEED NEXT DAY DELIVERY

Next Day Delivery across South-East Queensland **Monday to Saturday.**

Twin View Turf take the pressure off urgent projects with guaranteed Next Day Delivery. Scheduling turf has never been easier!

All orders placed by 2pm the day before required delivery, qualify for our Next Day Guarantee. This presents great value for landscapers and developers whose schedules are at the mercy of last minute jobs and urgent deadlines.

Large Serviceable Area

Our standard serviceable area spans a wide and vast number of suburbs across South East Queensland. You will benefit from being able to expand your own serviceable area, with potential to gain more business.

SMS Confirmation

All orders receive an SMS order confirmation and estimated delivery timeframe. Having this time confirmation gives you greater flexibility to plan your day and project work.

Truck Mounted Forklifts

All turf deliveries arrive with truck mounted forklifts. Our drivers unload your new turf as close to the site as possible - reducing the need for additional labour.

Push Off Pallet

As a matter of convenience, we load the empty pallet back on to the truck after delivery, and transport it back to the farm - saving you yet another hassle!
